P. & B. RAILROAD.—Yesterday we took a stroll to the summit, at the head of Meadow Valley street. Meeting Gen. Page, President of the Company, we learned from him that the grading had been completed almost to the Condor Mill, and would reach that point by Saturday night. The rolling stock of the road is about half here, and two-thirds of the rails. If good weather continues, Gen. Page thinks the road will be completed in three weeks' time. There are 30 ore cars, capable of carrying 5 tons each, and one passenger car, sufficient for the accommodation of 24 passengers and the express. The track is now laid for over 4 miles. This is the first narrow-gauge railroad in the State, and the first railroad of any kind in Eastern Nevada.

NEW CAR COUPLING.—This apparatus is quite simple, and also very ingenious. We are not sufficiently versed in mechanics to describe it accurately, but can say that the cars are coupled without the danger which attends the operation in the ordinary way, and by which many lives are lost. While the train is under full headway, any car may be detached without difficulty or danger. Several are in use on the Picoche and Bullionville Railroad.

PERSONAL.—Mr. Guy Thorpe and wife arrived last evening by the Hamilton stage. Mr. Thorpe was formerly cashier of Wells, Fargo & Co.'s banking house in Carson City, and we are informed will act in the same capacity in Wells, Fargo & Co.'s bank in this city. We congratulate our citizens upon the arrival of Mr. Thorpe in our midst, and can safely recommend him as a clever gentleman, and a thorough business man in every particular.

PICHOE AND HAMILTON STAGE LINE.—This line, connecting half day at Hamilton for Sheldburn, has lately been stocked with American horses and furnished with new Concord coaches. Stages leave daily at 8 a. m., making the trip to Palisade in 4 1/2 hours from Picoche. Travis & Co. are now proprietors, and from their well known energy and ability to accommodate the traveling public, we are sure full satisfaction will be rendered.

PUBLIC LIBRARY.—Yesterday we alluded briefly to the necessity of establishing a public library in this place, as a means of affording strangers and residents an opportunity of spending their leisure time pleasantly and advantageously. The mode meets approval, and it is suggested that a meeting be called of those favorable to the undertaking. Who will suggest a time and place for such meeting?

CLEANING THE STREETS.—The new Street Commissioner, S. C. Barnes, has a force actively engaged in cleaning Main street of the huge mass of rubbish which has been accumulating for months. Other streets will receive proper attention in due time. For his energy in this behalf Mr. Barnes merits the good will of all citizens, for the streets heretofore have been in a shockingly dirty condition.

DAILY MAIL.—A petition has been circulated asking the Postoffice department to establish a daily mail from Palisade to Picoche. As is not generally known, the mails delivered here daily have been brought without the extra compensation to which the contractors are equitably entitled. The contractors are paid for a tri-weekly service, but furnish a daily mail.

BOOTS AND SHOES.—A. Flynn advertises a large stock of boots and shoes, and has opened his store on Main street, adjoining the Deseret Telegraph Company's office. His stock makes a good showing, and those who purchase from him will be well satisfied with both the quality and the price of his goods.

YESTERDAY, Deputy Sheriff Turner made complaint against Charles Matthews for selling goods at Panaca, in this county, without the license required by law. A warrant was issued by Justice Stoutenburg, and placed in the hands of Under Sheriff Patten. Defendant pleaded guilty, and was fined \$10 and costs.

MASONIC.—St. John Lodge, U. D. F. and A. M., was organized last September. The officers for the present are: A. A. Young, W. M.; Col. E. Lane, S. W.; F. Gray, J. W.; J. B. Shaw, Secretary; A. Brown, Treas.; Ney Churchman, S. D.; R. McAlpin, J. D.

JUSTICE'S COURT.—Following were the civil cases in Justice Stoutenburg's Court yesterday: Sherwood Bros. vs. Silver Peak Mining Co. Set for Dec. 21. Crane vs. Maginnis et al. Set for Dec. 21. Wm. C. Glissan vs. J. Austin: Set for Dec. 23.

PLASTERING THE COURT HOUSE.—The contract for this work was completed some days ago, and having thoroughly dried, it presents a fine appearance, and is withal firm and durable. It reflects great credit upon the skill and workmanship of P. M. O'Connor, the contractor.

SALT LAKE STAGES.—This line is still under the proprietorship and management of Gilmer & Salisbury. Stages leave Picoche every morning, at 6 o'clock. W. E. Daugherty, at Wells, Fargo & Co.'s, is agent for both the Salt Lake and Hamilton lines.

RECORDER'S OFFICE.—The County Recorder's office was yesterday removed to its permanent place in the Court House. During the plastering of the Court House the office was temporarily in a small house on Lacour street.

FOR SAN FRANCISCO.—J. J. Ayers, of the Floral Mill Company, leaves today for San Francisco, intending to spend the holidays among old friends in California. He will return in a fortnight or probably three weeks.

MORE TALENT.—Mr. Maguire and others of the dramatic profession are to arrive this evening from Salt Lake. They have been engaged by the manager of the Picoche Theatre, and will make their first appearance to-morrow evening. Mr. Calhoun is endeavoring to present before the people something new. Mr. Maguire is a first-class dramatic performer, and has a number of ladies with him who are reported to be an immense support in both comedy and tragedy. Mr. Maguire will, no doubt, give the first of his entertainments Saturday evening, bills will give full programme. Citizens do not fail to patronize the Theatre. The performance will be of the highest order, as Mr. Maguire and his troupe have an excellent reputation.

KNOW ALL MEN and one woman by these (Christmas) presents, that we, Ashim & Bro., will sell for the coming holidays citron at 75 cents per pound, raisins 37 1/2 cts. per lb., currants 25 cts. per lb., French cognac at \$10 per gallon, and all other necessary ingredients for making mince pies, &c., at the lowest rates. d20-1w

TO ARRIVE TO-DAY.—The following passengers left Hamilton yesterday for Picoche, who will arrive on to-day's stage: J. C. Lennon, Rice Dow, Mrs. Seaver, G. G. Borey, H. Short, Ella Devier, Della Sarland, G. Miller, S. Ashim and Nelly Morris.

BOTTLED CIDER.—T. C. Garvey, in addition to soda, also supplies bottled cider, made from good apples, which will be delivered to any part of the town at \$5 per dozen.

A & P. TEL. CO.—Yesterday the office of the Atlantic and Pacific Telegraph Company was removed into the large new brick building of Bishop & Sabin, Main street.
